Rev.3 8/2020

Congratulations on the recent purchase of your new Sun Dolphin canoe! You have purchased a canoe from one of the nations leading manufacturers of small boats. Your canoe represents years of commitment to product design, excellence in engineering and quality in manufacturing. With proper care and maintenance your canoe should last for many years to come. Please call our helpful and knowledgeable Customer Support Department if you have any questions or concerns.

MATERIALS

Your canoe is manufactured from High Density Polyethylene (HDPE). It is a very durable material. Our specially formulated HDPE has an ultra-violet inhibitor blended throughout the material to reduce color fade and maintain its strength. Polyethylene is a somewhat flexible material with some memory. This means it has a tendency to return to its original molded shape if distorted.

BOAT SET-UP

Recommended Motor & Battery

Square Stern models come equipped with a built-in motor transom designed for an electric trolling motor. Maximum motor size: 40 lb. thrust standard shaft length.

Many trolling motors come with “alligator clips” or “ring connectors” for direct connection to a battery. Recommended battery: 12 Volt DC.

NOTE: Be sure to connect the same color wires together. The RED wire on the plus is positive (+) and the BLACK wire is negative (-). Consult the trolling motor instructions for more details or call Customer Service.

Important: Motors should always be removed when transporting or storing.

Battery Location

The battery may be placed either between the back seat and the stern of the boat or behind the center seat. It is recommended securing the battery to the boat with a strap.

Paperwork

The following documents should come with your new canoe.

Warranty Registration

To properly register your boat with KL Outdoor for warranty validation please fill out the warranty registration form online at www.sundolphin.com. Please review our full warranty statement. If you are unable to register your boat online please contact our Customer Support Department at 231-332-1700. The serial number can be found on the outside of the hull in the back just under the gunwale. See Photo #1.

Manufacturers Statement of Origin (MSO)

Some states may require a MSO for proper registration of your canoe. Please check with your local dealer or state licensing bureau.

Owners Manual

Keep your owner's manual for future reference. It is a good idea to write down the following information:

Serial Number _____

Date of Purchase _____

Purchased from _____

Applying Decals

Before applying boat registration decals (if required), clean the area with alcohol or any solvent that does not leave a residue. Make sure solvent is put aside and is dry. Using a propane torch, lightly pass the flame back and forth over the area where the decals will be applied. Don't try to heat the surface. This process will enhance the adhesion of the decals.

BEFORE LEAVING SHORE & SAFETY PROCEDURES

- It is recommended to keep paddles onboard even if you are using a motor.
- Make sure the battery weight is distributed evenly onboard.
- Check the weather conditions especially wave conditions in open water. Anticipate changing weather conditions and act accordingly.
- Review the maximum capacities on the capacity plate. Ensure you are safely within these limits.
- Make sure all passengers are wearing Personal Flotation Devices.
- Take an extra paddle.
- Let someone know where you are going and when you will return.

CARE AND MAINTENANCE

With minimal care and maintenance, your boat has been designed to provide you with many years of enjoyment.

- Your canoe can be cleaned with warm water and any standard detergents. More difficult stains, such as brackish watermarks, may be cleaned with a petroleum based cleaner. Read the manufacturers' instructions carefully before using any cleaner.
- Periodically check the integrity of all fasteners to ensure proper use.
- Polyethylene is a somewhat flexible material with some memory. This means it has a tendency to return to its original molded shape if distorted. If this occurs follow these steps:
 1. Relieve the pressure that caused the dent or distortion by supporting the boat differently or removing gear.
 2. Place the boat in the warm sun. Usually the south side of a building is the warmest spot. As the boat warms up usually (but not always) the boat will return to its original molded shape. This may take a few hours or a couple of weeks depending upon outside temperatures and the degree of distortion.

STORAGE

- If possible, it is best to store your canoe inside for the winter otherwise store upside down. Do not store the canoe on sawhorses right side up. If it's stored upside down, position the supports about 1/3 of the way in from each end. Do not pile gear on top of the canoe.
- Motors should always be removed when storing.

TERMS OF LIMITED LIFETIME WARRANTY

KL Outdoor's Limited Warranty is subject to the Exclusions and Limitations set forth below and is valid only if the product i) is properly cared for and maintained, in accordance with the applicable user manual, and ii) is used for the intended purpose for which it was designed.

KL Outdoor warrants to the original owner of any KL Outdoor product purchased from an authorized dealer or retail outlet, for the period set forth below with respect to the applicable product ("Product Warranty Term"), against any defects in workmanship. Products with valid claims for such defects will be repaired or replaced, without charge, at the purchasers' local authorized dealer or at KL Outdoor. This warranty is non-transferable.

PRODUCT WARRANTY TERM*

Boat Deck and Hull: Limited Lifetime to the original owner only; Boat components: one (1) year; Outta Site Hunting Blinds: one (1) year

*Subject to Exclusion and Limitations below. Product Warranty Term is measured from date of purchase.

EXCLUSIONS AND LIMITATIONS

This warranty does not cover:

1. Damage caused by accidents, vandalism, abuse, misuse, neglect or carelessness.
2. Any defect caused by alteration or modification.
3. Any product used for rental or commercial purposes.
4. Damage caused by Mother Nature, environmental conditions or other causes beyond the control of KL Outdoor, including without limit sun-exposure fade.
5. Deterioration from normal wear or exposure.
6. Any defect which would not have occurred if instructions in the owner's manual had been properly followed.
7. Abrasion damages to the deck or hull of any boat product or other products.
8. Damages incurred in possession of a freight company or any other third party.
9. Loss of electronic devices. We do not have any water proof compartments in our boats and caution should be taken when bringing any electronic devices in any boat product.

THIS LIMITED WARRANTY IS EXCLUSIVE AND IS IN LIEU OF ANY AND ALL OTHER WARRANTIES, INCLUDING WITHOUT LIMIT ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHER WARRANTY OF QUALITY, WHETHER OR NOT EXPRESS OR IMPLIED.

CLAIMS PROCEDURE

The return of any KL Outdoor product subject to a valid Limited Warranty claim will not be accepted without a return authorization number. The retailer can obtain this number by contacting our Customer Service Department.

Any claim under this Limited Warranty must be communicated via our website at www.sundolphin.com or by contacting Customer Service. Please have the following information available: model, serial number, proof of purchase and photos of the defect. KL Outdoor will evaluate the information and determine if it is a valid defect in workmanship prior to issuing a return authorization number.

KL Outdoor reserves the right to discontinue and make changes in any of its products. In the event that products covered by this Limited Warranty are not available, KL Outdoor shall have the right to substitute products at KL Outdoor's sole discretion of comparable grade, quality or price.

Waiver of one or more claims procedures shall not act to void or waive any other term of this Limited Warranty or any future occurrence of the provision waived.

Freight to and from your local dealer, retailer or KL Outdoor is at the owner's expense. KL Outdoor is not responsible for any damages incurred in transport, for storing or for inconvenience or loss of time or money while repairs or replacements are being made.

LIMITATION OF LIABILITY

ALL INCIDENTAL, SPECIAL, AND/OR CONSEQUENTIAL DAMAGES are excluded from this Limited Warranty. Implied warranties, to the extent prohibited from exclusion hereunder by a specific State law, are limited to the Product Warranty Term of this Limited Warranty in such State jurisdictions. To the extent a specific State does not allow i) limitations on how long an implied warranty lasts, or ii) the exclusion or limitation of incidental or consequential damages, then the above limitations or exclusions may not apply to you provided you are otherwise subject to such State jurisdiction. This Limited Warranty gives you special legal rights and you may also have other legal rights which may vary from state to state to the extent not limited hereunder.

This Limited Warranty only covers products within the continental United States, Canada and Mexico. No warranty is offered on any KL Outdoor Product sold in any other country.
